September 23, 2011

Dear Mike Dunn & Folsom Jr. Bulldog Families,

We would like to take the time to sincerely apologize for the misconduct, vulgar language and behavior of some of our parents at our last game against you on September 17, 2011. This is definitely NOT the way we would like to portray ourselves as an organization. We have spoken with our coaches and have asked that they remind players and parents of the code of conduct that they each signed earlier this season. We have also sent out a phone blast to all of our parents advising that this is **UNACCEPTABLE** behavior and **WILL NOT** be tolerated period. When discussing this with our board members, a few names were brought up of the parents involved and we have spoken with them directly as well as advised that they will not be allowed to come back if this continues. We again want to express our deepest apologies for this incident to your board, coaches, players and parents. Again, this is Not who we are as an organization, nor will we tolerate it being a part of it.

Sincerely,

**Vanita Davis-Morris**
