

2012 Football Registration Instructions

This year's FYFC registration goal is to streamline the registration procedure. To accomplish this goal, we have changed the forms that are needed for registration. As well, we are encouraging early sign-ups and rewarding those families who take advantage of early registration. The forms are required to be filled out completely. To take advantage of early registration fees, all Registration Documents must be received by the final date of the current discount period, along with your deposit of \$120.00.
